### SIGN OFF FOR 2016

It has been a extremely eventful year, but we got through it. As most of you know Tania had a injury in Feb, which caused us to close our doors in March. Thankfully to some of our awesome clients, they kept the business open a few days to notify clients and make appointments for us. Two people who were totally amazing deserve a mention and that is Kylie Munroe and Linda Milward. There are no words that can ever explain how grateful we were for you help. XX

Apart from our range of Natural, Organic & Local Products, Candles, Himalayan Salt Lamps, Gemstones, Crystals, Jewellery, Henna, Organic Teas, Incense, Spiritual Items, Giftware & more, we opened our Hair Studio. This has been a huge success and hopefully next year after ironing out a few details, AbTranq will also become a training centre for people wanting to get a start in this wonderful industry.

We wish you and your family a Very Merry Christmas & a Safe Happy New Year. See you all next year.

LOVE, PEACE & LIGHT XX TEEJAY
