HAPPY NEW YEAR!!! I hope you all had a great Christmas & New Year. It has been a busy year, but we got through it unscathed and more positive than ever. We said farewell to 2 of our staff last year but also welcomed our Nail Technician Emily, who is definitely a wonderful asset to our business.

It is great to see so many locals walking around showing off our work. I have completed quite a few courses in 2014 and will continue my study & teaching throughout 2015, including the opportunity to study with a Chinese Buddhist again... There are many exciting changes happening to our spa including new services, beauty training for students & a bigger range of natural, organic local products, beeswax candles, Himalayan Salt Lamps, Crystals, Organic Teas, giftware & much more.

I would personally like to thank all those loyal clients that have stuck it out with me. I am extremely touched by your positivity, support and love you have shown throughout the last 3 years.

LOVE, PEACE & LIGHT XX TANIA
